DEDICATION

We, the Senior Class of "47", wish to dedicate our publication of The Reflector to our beloved teacher and sponsor, Elaine Esarey.

Many of the stones in our path through high school have been removed because of her understanding and patience with us. We sincerely thank her for her untiring efforts in guiding us in our Senior activities and daily school work.

We also wish to thank all other teachers who have helped us to reach the last step in our ladder of school years.

To our parents, we wish to extend thanks for their forbearance in all the activities, duties, and privileges granted to us.

We end our dedication with deepest gratitude to our parents and teachers.

CLASS SONG

(Moonlight and Roses, Andantino)

We now, as Seniors
Have reached our goal this year
We have been striving
For records good and clear
And as we leave you
To find our place in the sun
We will remember
Bright days; We've had fun.

We will be climbing
The ladder that leads to success
As we climb higher
We'll try to pass each test
As on we journey
All through life's crowded maze
We'll be recalling
Our happy school days.

CLASS FLOWER

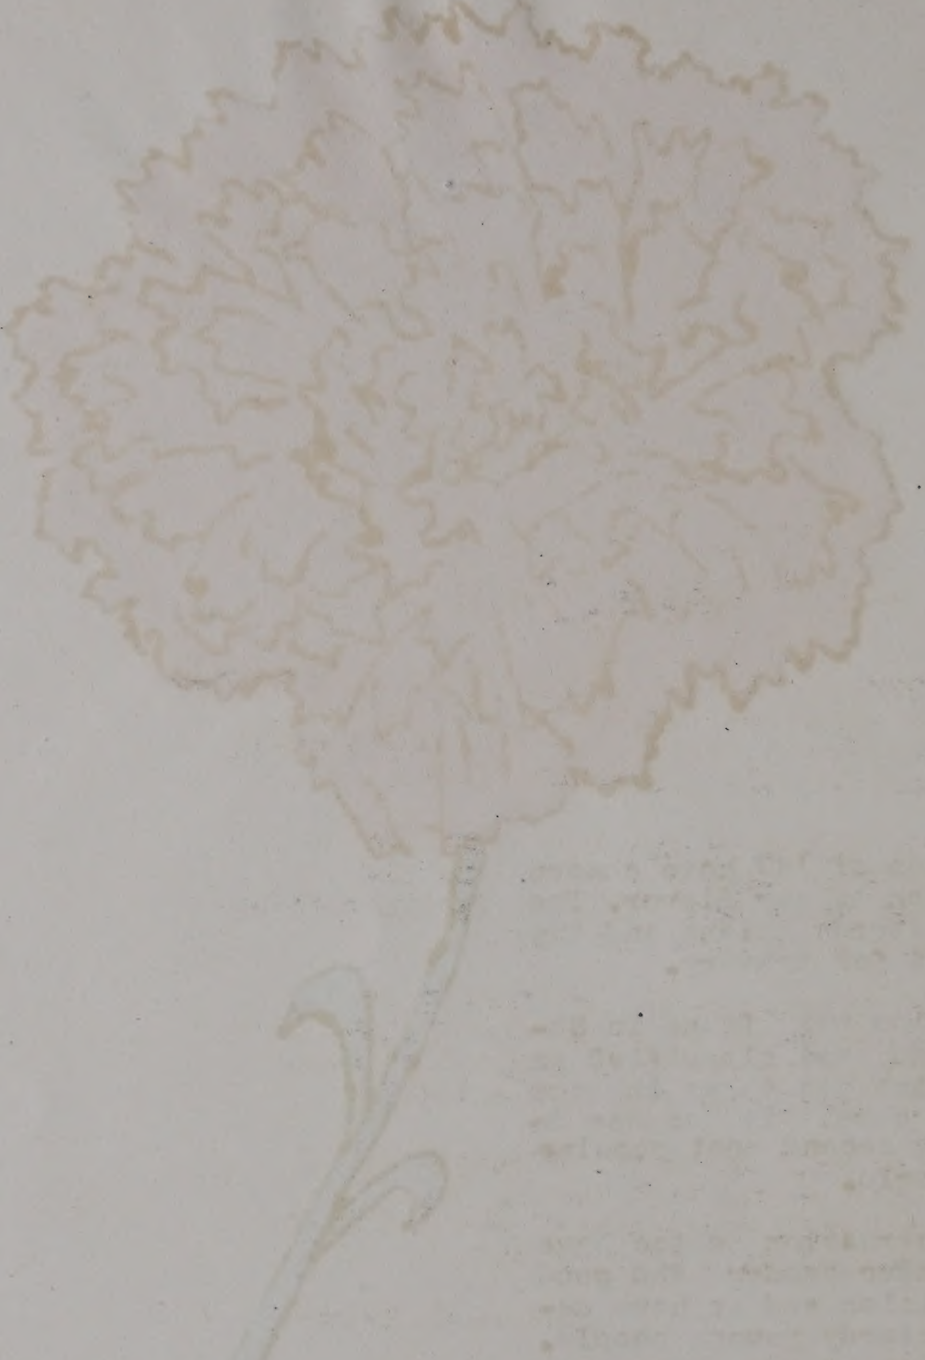
Eugene Rubrake

We the class of '47 have chosen the Red Carnation as our flower. The carnation is a sturdy plant and the red color stands for bravery.

The carnation was found in Southern Europe and was classified as a weed. The plant was taken in and has had tender care. It has now developed into the second most popular flower in the world.

Like the carnation we too have been taken in under tender and good care and supervision and we have developed into sturdy young people. Like the carnation we too, have been undergoing changes. We have developed into good citizens of our country and community. We shall be the future leaders of our civilization and keep the improvement moving toward greater things. We will not be satisfied with the same things but will want to develop bigger and better things for the future.

The activities of today are changing all the time and education helps us to keep up with the world. So let us keep in mind how the carnation underwent its changes and let us all do the same.



GRADUATION

When I, at last, these doors pass through
to enter not again,
My road through life will start anew,
and childhood days shall end.

My happiness has been complete,
through days and years now past,
But roads that lead to larger worlds,
are opened now, at last.

Although I miss, and that I shall,
these years of high school life,
I'm going forth to greater things,
to work, and play and strife.

God help me o'er the rugged path,
o'er stones that bar my way,
And with His guidance and His help,
my goal will be attained.

Grayce L. Stidham

CLASS MOTTO

We, the Senior Class of 1947, have chosen as our motto, **WE PASS FOR WHAT WE ARE.**

We are now passing from our school life into the wide world. It is those things that we have learned during our school days that will make us the better citizens of tomorrow.

We go out into life to make something of ourselves, but do not desire to give false impressions. We wish not to be remembered as an entirely different person, but what we actually are.

Dona Jean Ross

SALUTATORY

Parents, Teachers, and Friends, we the graduating class of 1947 wish to extend to you a most cordial welcome.

We would like to take this opportunity to thank you for your advice and guidance during our twelve years of school.

We know that at times we have tried your patience and understanding but you have stood unfailingly by us. For this we are extremely grateful.

Tonight we are leaving the road of childhood and embarking upon the highway of adulthood. The time has come when we must leave our classmates and go forth and seek our individual careers. Some will seek higher education, others will go elsewhere into various occupations. No matter where we may go, we will recall many happy incidents that occurred at Larwill High School.

Again I would like to say, the class of 1947 bids you welcome. Thank you.

VALEDICTORY

We, the Larwill Seniors of 1947 have been happy to have you as our guests for this one of the last activities of the year. We hope that you have enjoyed our program. Tonight we have been remembering the past but tomorrow our minds turn to the promise of what the future holds in store. Whatever shall be our destiny--Whatever places we make for ourselves in the ranks of industry, business world, agriculture, or professional life--will reflect the habits we have formed, the characters we have built, and the personalities which have been molded through your guidance during our career in school life at Larwill.

You may be sure that we shall never forget the happy association we have found here and the lessons in co-operation, teamwork and sportsmanship which you our parents, teachers, and friends have taught us.

To our parents we especially wish to express our gratitude for

their patience and understanding and, more particularly at this time, for their sacrifices which have made it possible for us to complete our high school education. Had it not been for their support many of our enterprizes would surely have failed, and the goals we have achieved might never have been accomplished.

We shall always feel indebted to those men and women who have devoted their lives to teaching us and others like us, and the debt we have incurred in the acceptance of their friendly interest and concern for our physical and mental development is greater than we can hope to repay.

We wish to make special mention of the great number of you who by your backing of our business ventures for this year have made it possible for us to be the only class in recent years to take a trip as our last activity, as a unit. As we enjoy ourselves next week we shall not forget to be thankful to you for providing us with this opportunity for widening our horizon.

To those who will be Seniors next year, and to all those who will be Seniors in the coming years we wish to extend the challenge of making a better high school record than we have made, of reaching higher goals than we have attained, and of lifting the banner on which the name, "Larwill High School" is inscribed still higher.

And now, we say "Goodbye" as students and "Hello" as citizens and fellow-workers, on making a better community & thus, a better world. Again we say, "Thank you."

The second act was the same scene one half hour later, and the third act about eleven o'clock the following morning.

The cast was as follows:

Elaine Escott, Papa's bride ----------Grayce Stidham
Arnica Jukes, a servant in the dill home---Dona J Ross

The entertainment between acts was a baritone solo by Betty North, a vocal trio by Harriett Barney, Mary Souder and Evelyn Schlie; a double trio by Donna Clarke, Mary Buckles, Dona Jean Ross, Mary Souder Harriett Barney and Evelyn Schlie.

The play was directed by Miss Esary.

HISTORY

In our Freshman year we started with thirty-six members. In March Joan Loe and Grayce Stidham from South Whitley; Nellie Moore from Pierceton and Naomi Fosnaugh from Roanoke, joined the thirteen from Troy and the twenty-three who came up in the Larwill School. The class met and elected Lewis Holderman, President; Dorothy Miller, Vice President; and Doris Miller, Secretary-Treasurer. Mr. Schuh was chosen Freshman sponsor. The Freshmen parties were a roller skating party in the first semester and an ice skating party in the second semester. Joyce Marks took first place in the Local Oratorical Contest and third place in the County Oratorical. Doris and Dorothy Miller were chosen school yell leaders.

At the beginning of the Sophomore year we had thirty-six members. In February Nellie Moore moved back to Pierceton, Betty Beasley and Richard Martz withdrew and later in the year Evelyn Watson withdrew, leaving a total of thirty-two members. The class chose Miss Gernhardt as sponsor. Two parties were held during the year, a hay-ride and a theater party. Grayce Stidham was the Local Oratorical winner and later won third place in the County Oratorical. Dorothy and Doris Miller were again chosen yell leaders.

The Junior year started with twenty-nine come back in the fall. In October Aletha Kirkham left us to re-enter Pierceton School, Naomi Fosnaugh withdrew in November Grayce Stidham went to Bourbon and Jack Koons withdrew to North Webster the second semester. The class sponsor was chosen early in the year, Miss Macklin. During the first semester the Juniors had a party in the gym of the school house. As a money-maker for the year the Juniors sold soft drinks, icecream and other refreshments at all home ball games. Joan Norris won the local Dramatic Reading contest and competed in the County March 30. She placed first in the the County Contest and brought home a trophy to Larwill. Dona Ross won the local Oratorical and represented Larwill in the County. The largest activity for the year, the Jr-Sr. Reception was held at the LaFontaine Hotel in Huntington on April 20, 1946.

In the fall of 1946, twenty-eight of us reached the height of dignified seniors, and twenty-eight of us finished to receive our diplomas. Grayce Stidham decided to come back from Bourbon for her Senior year. Donna Clarke joined our last year in high school and Mary Buckles also. Donna's former school was Elkhart and Mary's Howe of Indianapolis. A meeting of the class held early in the year was the scene of election for the class sponsor, Miss Esarey. The first semester party was a weiner roast at Collomar Dam following, the first of the money making activities, A Magazine subscription sales.

At a meeting early in October the class decided to publish a annual and planned to have the sales campaign during November. It was decided to sell one hundred copies before finally determining the project. Pictures were taken of the grade classes by Lockridge Studio of Rochester. Senior pictures were taken on October 18 by the Robert's Studio of Fort Wayne. The subscription campaign totaled 120, so the annual was started in earnest.

Pencils with the basketball schedule were sold. Then Larwill Trojan caps, and Rocket fountain pens were sold. The Seniors had an all school skating party at Happy Valley in February. In January a cake walk was held after the South Whitley ball game. Group pictures were taken for the annual in February and picture mounting was begun as soon as they were returned. Twenty picture pages were sent to Mr. Ham of Lowell,Indiana for printing early in March

Junior Blanchard was presented with a gold honor sweater at the last pep session before the Sectional tourney. He has played two years on the varsity and the sweater has two blue stripes.

Twelve members of the class spent much time, gas and energy rehearsing the class play, "The Daffy Dills." It was presented on March 28, to a packed house. The class cleared $100 on it.

During April the annual staff and several extra seniors working day and night practically, finished the annual.

The reception was given in honor of the Seniors on April 26, in the gymnasium. The theme was worked out well in the spirit of the south seas. The gym was transformed into the scene which fitted into that theme.

Baccalaureate Services were held on Sunday evening April 27. Reverend Foster Jones of the Troy Presbyterian Church was the speaker of the evening. The high school choir furnished two choral numbers. Local ministers assisted in the services.

Class night was held on Friday night April 25, 1947 in the assembly. The theme was an old fashioned evening in an old fashioned home--maybe.

During the last week the seniors took at three day trip into southern Indiana, visiting Vincennes, Spring Mill Park and Mammoth Cave in Kentucky.

Graduation services were held on Friday May 2, 1947, at 8:00, in the school assembly. The class was stately and important in the caps and gowns which marked their honorable state. The class flower, the red carnation, graced their shoulders. Thus the Seniors had come to the end of their adventures at L. H. S., prepared and ready for what lay ahead of them.

PROPHECY

It was a sunny day in June 1954. The Jo-Mar Circus was ready to leave New York with its main features--world's famous trapeze performers, Maizie the Marvelous, known in school days as MARY SOUDER--Minnie the Magnificient, a bareback rider formerly known as JOAN NORRIS.

An outstanding feature of the circus is Allie the Mighty, the world's strongest woman, previously known as ALICE **JEAN** HARTER.

Last night was the last performance. The circus was starting on a tour west to present the show in many of the large cities. The first stop was at Pittsburg, Pennsylvania. As the baggageman carried the luggage from the train into the station, we thought he looked familiar. To our great surprise he was no other than our old classmate, EUGENE RUBRAKE. We chatted with him about old times and immediately left for the circus grounds.

After unpacking and getting settled, we found we had plenty of time to explore the city of Pittsburg, so we started down Main Street. We came upon a little costume shop and decided to see to some things for our next performance. A young lady came forward to wait on us, and to our amazement it was JO ANN SROUFE. She told us to look up our old classmate GRAYCE STIDHAM who had started a "Lonely Hearts Club." The way Jo Ann talked she must have a thriving business. Grayce had successfully found a man for HARRIETT BARNEY. We had very little time left to get back to the circus grounds, so we hurried away. The circus remained in Pittsburg for a week.

The next stop, we found, was to be Larwill, Indiana. It had sprung up considerably in the past seven years. The only thing we recognized was what used to be "Jerry's" store. It was now under the management of LEWIS HOLDERMAN and his wife, the former MARY BUCKLES. We wouldn't have recognized it, if it had not been for the old neon ice cream cone sign.

We strolled down 5th Avenue, which used to be the main street and there on the corner of Hollywood and Vine was the Venus and Marrs Opera House. The marquee read, "Main Feature Tonight--The Ozark Symphony Concert,-Starring EVELYN NORVILLE SCHLIE." We wanted to hear Evelyn play the piano again, so we entered the Opera House and were greeted by an old classmate CHARLES MARRS. Charlie said that he was the owner of the "Venus and Marrs."

The next morning after the routine work was done Mary and I decided to go into the "Mugg Overhauling and Beauty Shop" down the street a few blocks. The owners of the beauty shop were DOROTHY AND DORIS MILLER who were specializing in curling men's hair. The Miller twins told us about some of our other classmates. ROBERT GAUSE was now Professor of the "Larwill College of Musical Knowledge." One of the teachers was BETTY NORTH, baritone specialist.

We asked about BETTY KESSIE and CHARLIE BLANCHARD. They said that Betty had followed in her brother's footsteps and was "Trucking" and that Charlie had taken up the ministry and was preaching in one of the Eastside churches. JOHN ROADARMEL was a Colonel in the United States Army. We inquired about DONA ROSS and they told us that she and Melvin had married and were living very prosperously on their muskrat farm where Dona was slaving away providing fur coats for all the women in Larwill.

We invited the Miller twins to our evening performance and told them to tell any of our other classmates to drop in at our lodgings in the two days we would be in town. That night after our performance, who should be waiting but Mr. and Mrs. Paul Studebaker. The latter was known as DORIS RUCKMAN in school days. We were made acquainted with the little "Model Studebakers"--1949--50 and 52.

The next morning we left for Salt Lake City, Utah. We planned to entertain the Mormons and their many wives. During our week's performance there, to our surprise we saw GAIL MARTIN, whose ambition in high school had always been to have many wives. His ambition had been fulfilled and he was now supporting a large nest of "Little Martins."

The next week we held performances at Tacoma, Washington. While there, we had time to visit some of the country and nearby lumber camps. While visiting the North Fork Camp, we found JOAN LOE serving as a "Flap-jack Turner," for the lumber-jacks, who are commonly known as "Timber Wolves." She told us that she had found her man, one of the wolves, Mr. U. R. Dumb. We also met another one of our classmates, HAROLD KEMERY, now a husky muscle man.

Then we traveled to the outskirts of Los Angeles, California. After a tiresome day with the circus, we spent the night and the next day in Hollywood. While there we visited some of the studios. Here we found DONNA CLARKE, a fashion designer for "Abbott and Costello." We also visited CBS. As we walked into the studio we heard a voice which sounded rather familiar. It was PATSY ELEY singing commercials, her latest was "Super Suds." We had quite a long talk with Patsy and while we were talking she told us that DOROTHY MOSHER was now a "Cowgirl" and owned her own "Dude Ranch."

The circus season had ended, so we chartered a plane to Miami to spend the winter months. Before boarding the plane the pilot greeted us, and to our astonishment it was EUGENE BANNING. He told us that the stewardess on the plane was JOAN MYER.

We took our seats in the plane, Joan tucked us in and made us comfortable and we were off above the clouds, winging our way toward Miami.

I remove the Green and White, to make room for the Blue and White.

Lewis Holderman

JUNIOR CLASS HISTORY

In September of 1944, thirty-eight pupils, of the Freshman Class, started the long and hard journey through Larwill high school. J. D. Boggs got a late start to school and Clara Jeane Clark came from Roanoke the last of September. Lucille Egolf left us in October to go to California. J. D. Boggs withdrew in December. In January Doris Bowers came from Pierceton and Clara Jeane Clark went back to Roanoke. William Watson and Cecil Huntley withdrew to work.

May Stump left us to attend North Webster. In March J. Ward and Rosetta Mussleman came from Columbia City, Lucille Egolf came back from California and 15 days later entered Columbia City. This left us with 39 at the end of the Freshman year. Thurlow Schuh was the sponsor. Our first party was a hayride to South Whitley to the show, the second was a weiner roast held at the Community Building.

During the summer the class lost six members. The class began the Sophomore year with 36 members. Paul Gates Robert Cramar, and Duane Hawn withdrew in September to seek their fame and fortune. Geraldine Huntley withdrew and later Rosetta Mussleman entered Kendallville. James Rose entered from Concordia in January and later re-entered Concordia. There were 28 of us left by spring. Eudolph Holycross was the sponsor. The first party was a Halloween Party at the home of Jeanne Gebert. The second party was a weiner roast at Robert Hartman's sugar camp.

Jeanne Gebert and Joan Werstler entered an Algebra contest, and Janice Ward a Geometry contest at Fort Wayne, April 6. Jeanne Gebert and Bonnie Kile entered a First year Latin contest at Fort Wayne, April 13, 1946.

During the summer months Huletta Jackson and Dick Michael left us to attend Columbia City. Kieth Felty came from Belleville, Illinois. This started our Junior year with 27 members. At the beginning of the second semester Keith Felty left us to go to work. Our class party was a chili supper at the school house and then we attended the Football game at Warsaw. Mr. Frederick was the sponsor. And The second party was a "kid" party held in the gym.

The reception furnished much of our interest for the 2nd semester this Junior year.

SOPHOMORES

SOPHOMORE CLASS HISTORY

In September of 1945 the Freshman class started its first adventure into high school life. We started with a total enrollment of forty-five; since then we have lost three members; namely, Richard Pickard, Mary Jane Musselman, and James Folk. Out of the class, fourteen are from Troy and one from Columbia Township.

In athletics the Freshmen were very well represented. Nine boys went out for basketball, and a large number of them went out for track. The girls formed a basketball team and in the Inter-class Tourney came out with top honors by defeating the Sophomores and Juniors. The class sold Larwill Trojan Badges, which was a great success.

Many of the boys have been initiated into the Hi-Y Club and the girls into the Sunshine Society. The class also has members in Ping Pong and F. F. A.

The Freshmen played an important part in the musical organization of the school. A large number of ninth graders took an active part in the chorus and its activities. It was also well represented in the band.

At the beginning of our Sophomore year, we have forty-four members; Bob White coming from Indianapolis, George Klingaman from Elkhart, and Bob Bridges from Fort Wayne. At Christmas, George Klingaman returned to Elkhart and in February Bob Bridges returned to Fort Wayne, leaving us a total of forty-one members.

Our first class party this year was a Halloween party in Van Voorst's woods. The last one was in the gym. Lois Myers and Bob White were crowned king and queen of the class at this party.

The Sophomores are well represented in the extra curricular activities of the school. They have a number of boys in track, basketball and softball. The Sophomore boys were winners of the interclass tourney. Dwight Deeter won the cross country run. Bob Shook was awarded the free throw medal for 1946-47.

Lois Myers and Phyllis Eley represented the Latin I class in a State Contest held in Fort Wayne March 29. Harold Blanchard and Dick Schuman entered an Algebra contest April 5. April 12, several members of the class attended the State Band Contest at Nappanee.
